**Subject:** Hollywood Media District Requests Assistance with Broken Stop Sign McCadden and Santa Monica - west side of street

Dear Christoper:

I have attached three (3) photos of the broken stop sign that was sheered off this past Saturday night around 12am. The stop sign is still at the location on the nw corner of McCadden at Santa Monica. It appears that it would be wise to have the pole covered by a red cone so that the general public does not get hurt.

Do I need to report this on LADOT service request website?

Thank you
